

Bar and Chain SAE 30 Oil

DESCRIPTION: Olympic Petroleum's Bar and Chain SAE 30 Oil is formulated with high quality base oils and additives. It is an all-season grade oil, providing excellent lubrication and rust protection. This oil is excellent for chains, bar, and sprockets due to its superior adherence to the bar with minimal sling.

QUALITIES:

- All-season grade lubricant
- Extends life of bar, chain and sprockets
- Reduces cutting friction and improves cutting performance
- Provides ideal lubrication for all cutting conditions
- Tackiness additive helps prevent the oil from slipping and resist slinging at high speeds
- Reduces drag and keeps cutting fast and smooth
